

# Kangarilla Road Tasting Notes

## 2016 Kangarilla Road Pinot Grigio

A warm dry spring resulted in yet another early start to vine growth. Good set conditions, combined with excellent flower development, resulted in average to above average crop potential across the region. Vintage 2016 will be remembered for grape and wine quality as well as a feeling of relief as the hot and dry conditions experienced earlier in the season did not persist.

Harvest began early with higher than average crops but with good sugar-acid balance and well developed flavour.

<b>Total Acidity g/L</b>	6.2

First there is the distinct and familiar aroma of brown lime cordial with undertones of just struck matches. Then with further investigation fresh pear and honeysuckle appear competing with aromatic lemon tart.

On tasting the wine there is a mouth watering zingy acidity carrying a delectable yet subtle fruit salad of flavours including rockmelon, pineapple and pears. The wine finishes with a graceful minerality.
