

# Silent Noise

There were healthy winter rains and plenty of spring rains that set the vines up very well. There was a later than usual start to harvest with long, slow ripening periods resulting in grapes with great depth of flavour. The intermittent summer rains stopped in mid-January, so disease pressure was low. It was very dry from February to April, with only a few millimetres of rain. Days were mild with a lot of cool nights. Overall it was a great vintage with minimal disease pressure and above average crop levels.

A truly pink rose smelling of citrus blossoms, mandarin, strawberries and cream with suggestions of creme patisserie. There are tantalising hints of jonquils, blackcurrant conserve, lemon sherbet and freshly baked cake.

The taste is all lively citrus, pomegranate and blackcurrant with a slightly saline backbone and a fresh dry zesty orange oil finish.
