

Silent Noise

The wine quality was set up by having a good wet season in 2017 which meant healthy vines. These very good winter rains set up conditions for initial canopy growth and the dry spring kept the vigour in check and early season disease at bay. Our summer and early autumn were unusually dry, in fact here was as little as 10mm of rain from 1st of January through to picking in the middle of March. Favourable summer ripening weather with daytime temperatures in the high twenties, with cool nights, led to fruit in great condition at picking. Early indications suggest the wines are very good from this vintage across the board.

Aromas of sunkissed fruit including slightly sharp rhubarb, perfumed lychees and zingy blood oranges are enhanced by a touch of creaminess.

Initially the palate is all about bright zippy juicy acidity with a pretty herbaceous quality followed by the discovery of a lovely textural mouthfeel. The wine carries an intriguing mix of tropical fruits which linger blissfully. Sunny afternoons in the garden have never tasted better.
